

## **Discover Cambodia's Hidden Treasures and Help Cambodia's Tourism Businesses Grow!**

**If you have experience in promoting rural business development or the development of tourism sites, we encourage you to join our dynamic economic development project as part of our Tourism Team.**

### **The USAID Cambodia MSME Project**

The USAID Cambodia MSME Project is Cambodia's cutting edge rural economic development project. We operate in 17 provinces and work in nine value chains to facilitate enterprise adoption of technical and business innovations, while improving the business environment.

One of our most important value chain activities is developing tourism businesses and the business environment to help these businesses grow. We work at both the local community and national levels to improve government regulation, promote rural tourism, facilitate dialogue to develop the industry and support and promote community-based ecotourism enterprises.

The project is currently seeking a skilled, diplomatic, creative, highly-energetic Cambodian national to join the MSME Tourism Team in the role of:

### **Tourism Coordinator**

The Coordinator is responsible for contributing to all tourism value chain activities, including facilitating training and other capacity-building activities for tourism businesses and building relationships with tourism businesses, community members and government counterparts.

Successful candidates will possess the following qualifications:

- Private sector experience in Cambodia's tourism sector, with experience working in rural tourism capacity building preferred;
- Ability to understand the needs of businesses and be able to suggest innovative solutions to challenges that they face;
- University Degree in Tourism, Business Management or Economics preferred;
- Ability to communicate effectively with businesses, government, and communities;
- Available for regular travel to the provinces;
- Speak, listen, and write in both Khmer and English with fluency and confidence;
- Excellent interpersonal skills, effective communication and the ability to work both independently and as part of the team;

We pay competitive salaries and fair daily allowances when in the field. If you meet the qualifications listed above and are interested in joining our fun, dynamic team, please send us your 1) Detailed CV, 2) Position and Salary History, and 3) Three Professional References to [CambodiaMSME@dai.com](mailto:CambodiaMSME@dai.com) or deliver them to Building F, Room 588, Phnom Penh Center, Phnom Penh, no later than **Friday, July 12, 2010**.
